Why do we need
rules?

Objectives

- To understand the need of rules.
- To identify why there are rules in the home.

Board Games

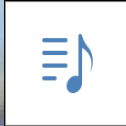

What can you see in the picture?
This is a board game.
Do you like to play this game?
which make us think.

There are some rules which should be followed while playing this game.

Can you identify these

FOOTBALL

NETBALL

CHESS

Some games are played to make us exercise
Some games are played to make us think.

Games

Whenever we play a game we need to know the rules.

- **How to play a game**
- **Actions that are allowed and ones that are not.**
- **Who wins.**

The rules enable order rather than to simply stop people from doing what they want

Rules for living

We need to have rules in all sort of places.

Do you know who has to obey the rules here?

Yes, both drivers and pedestrians .

**❖ What happens if people do not obey the rules in a pedestrian crossing?
People can be hurt or even killed.**

Rules in the home

We should always follow the rules in the home

We should not do the following things.

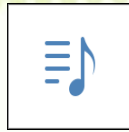

Let us see some kids following the rules and some of them not following.

FOLLOWING THE RULES

NOT FOLLOWING THE RULE

SUMMARY

- **We need rules to live smoothly.**
- **Rules are important in sports and games.**
- **We need to follow rules everywhere including home.**
